

Pilot - Controller Forum = (TMI) - 'TERRIFIC Meaningful Information' - Plus, Enjoyable

The Office of Runway Safety is conducting a two part open discussion seminar on airport surface safety. We will begin with airport signs and markings. This session will include an interactive media portion which will “anonymously” reveal your skills and knowledge. We will also present and discuss Phraseology, Communications, and Procedures used by Air Traffic Controllers. The tower controllers including the Controllers from the El Monte tower will be present to discuss local pilot issues and answer your questions.

Directions: Airport Terminal Meeting Room - 626-448-6129. If flying in, please check below information.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
